

## VISIT TO JOHNSON MATTHEY TECHNOLOGY CENTRE

**THURSDAY 15 JULY 2010**

A half-day technical visit has been arranged to Johnson Matthey Technology Centre (JMTC), Blounts Court, Sonning Common, Reading RG4 9NH. The Centre is focused on longer term research and has a worldwide reputation for excellence in catalysis and precious metals technology.

If Members and guests would like to join Council members for lunch they should arrive at the site between 12.30 and 13.00 for lunch at 13.15 hours (at a cost of £10.00 per person). The JMTC programme commences at 14.00 hours with two presentations:

- *Emission control from stationary combustion processes*
- *Emission control from mobile sources.*

A tour of JMTC's Autocat, Low Carbon Technologies and Analytical facilities follows. Departure time is expected to be 16.00 hours.

Those wishing to attend should notify the IDGTE Office by **Wednesday 7 July 2010.**

Professional Affiliate of the  
 Engineering Council
