

	Company name	MAN Diesel A/s
	Brief company overview	MAN Diesel is the world's leading provider of large-bore diesel engines for marine and power plant applications. The company designs two-stroke and four-stroke engines, generating sets, turbochargers, CP propellers and complete propulsion packages that are manufactured both by MAN Diesel and its licensees. The engines have outputs ranging from 450 to 97,300 kW of power.
